Answer the questions (1-2) according to the passage.

Hello! My name is Jessica. I'm fourteen years old. I am a social girl. I have a lot of friends at school but my best friend is Linda. I met her two years ago and we are classmates. She is honest and helpful. Whenever I need help or I have some problems, she always backs me up. I really trust her and tell my all secrets because I always count on her. We also have a lot in common. We love dancing and shopping together. I love Linda very much. She is a true friend. It is difficult to find a true friend like Linda nowadays.

1. Linda - - - - .

- A) is a helpful girl but she never helps Jessica
- B) never backs her up because she hates Jessica
- C) is trustworthy so Jessica shares all her secrets
- D) doesn't trust Jessica so she never counts on her

2. What does the underlined word mean in the passage?

- A) being social with your best friend
- B) dancing and shopping together
- C) helping your best friend when she needs help
- D) having the same interests and hobbies with someone else

3.

I'm Fred. One of my favourite dishes is pizza, traditional Italian food. But I don't like cheese, so there is no cheese on my pizzas. To be honest, I am not a good cook. I never prepare pizza at home. I always go to Italian restaurants to eat pizza. When I go to a restaurant I always order a pizza with all vegetables especially mushrooms and peppers. But it really costs a lot and I am planning to learn the recipe and prepare it at home after having some classes about cooking of course!

Which question IS NOT answered in the passage?

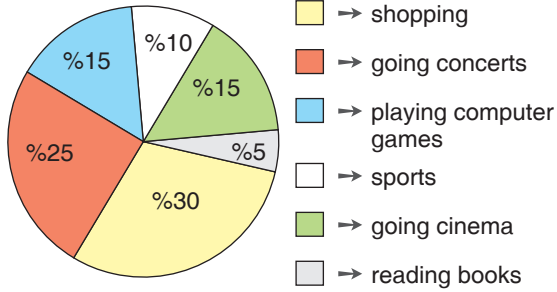

- A) What is his favourite dish?
- B) What kind of pizza does he prefer?
- C) How much money does a pizza cost at the restaurant?
- D) What is he planning to do because of the costs of the pizza at restaurants?
