Ön söz

Legend of English seti son derece titiz ve detaylı bir sürecin sonucudur. Her kitabımızda öğrencilerimizin en üst düzeyde öğrenmelerini amaçladık. Yüzde yüz müfredata uygun olarak hem okul hem de sınav başarısını artırmak en çok üzerinde durulan kısımdır. Bilindiği gibi tüm okul kademelerinde geleneksel sorular yerine yeni nesil sorular önem kazanmaktadır. Bu anlamda öğrencilerimizin İngilizce dersinin kazanımlarını edinirken akıl yürütme, çıkarım yapma, yorumlama gibi üst düzey bilişsel süreçlerini desteklemek için kitaplarımızın her biri ayrı bir kategoride ele alınabilir. Ama hepsi her yönüyle tüm ihtiyaçlarınızı karşılayabilecek kapasitededir. İngilizce seviyenizin geliştiğini veya bu sürece kitaplarımız sayesinde katkı sağladığınızı bilmek bizim için en büyük mutluluk kaynağı. Arzu ettiğiniz başarı ve mutluluk hayatınız boyunca kalıcı olsun.

LEGEND OF ENGLISH

Yayın Koordinatörleri

The Legend of English set is the result of an extremely meticulous and detailed process. In each of our books, we aimed for our students to learn at the highest level. In accordance with the one hundred percent curriculum, increasing the success of both school and exams is the most focused part. As it is known, instead of traditional questions, new generation questions are gaining importance at all school levels. In this sense, each of our books can be considered in a separate category in order to support our students' high-level cognitive processes such as reasoning, inference, and interpretation while achieving the objects of the English course. But all of them are capable of meeting all your needs in all aspects. It is the greatest source of happiness for us to know that your English level has improved or we have contributed to this process thanks to our books. May the success and happiness you desire be permanent throughout your life.
